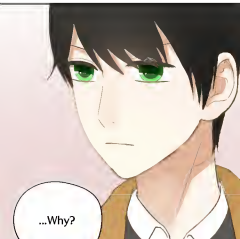
While you were doing your part time job in the amusement park, a ball hit your head.
Fortunately, the doctor said that your head was only slightly scratched by the metal part of the ball. After resting a little bit you can be discharged.

!
President, you...

How do you know that I work...?

The mother of the kid who threw the ball came over to visit. They are willing to pay all of the hospital fees.
Right now, I am going to contact your parents.

Don't!!



...Why?

I'm begging you...! Please don't meddle in my affairs...

——.....

I know I can't keep avoiding him forever.
Doing this doesn't help me.
